ABSTRACT

This paper provides the instructions for the preparation of papers for submission to CSIT 2021 and relevant style file that produced this page.

Keywords

Computer science, informatics, information technology.

1. INTRODUCTION

The 2021 Computer Science and Information Technologies Conference will be held at Yerevan, Armenia, 27 September – 1 October, 2021.

The major topics include, but are not limited to the following:

- Algorithms, Automata and Logic
- Artificial Intelligence and Machine Learning
- Cloud and Grid Computing
- Cognitive Algorithms and Models
- Cryptography and Cyber-security
- Design and Test
- Discrete Mathematics and Combinatorial Analysis
- Information Technologies Applications
- Information Theory and Coding Theory
- Parallel and Distributed Computing
- Pattern Recognition and Image Processing
- Telecommunication and Networking

2. PREPARATION OF THE PAPER

Authors are encouraged to use LaTeX to prepare their extended abstracts, using the style file and example on the conference web-site. Authors using other means to prepare their abstracts should attempt to duplicate the style of the example as closely as possible.

Authors are invited to submit papers in PDF format (template available on the Conference website) by submission system. Accepted papers will be published (up to 4 pages in length) in the Conference Proceedings.
